

Directions to add Adaptive Learning Products (Personal Math Trainer) to ThinkCentral.

1. Open ThinkCentral from nlmusd.weebly.com or the elementary page at <http://nlmusd.weebly.com/grades-tk-5.html>

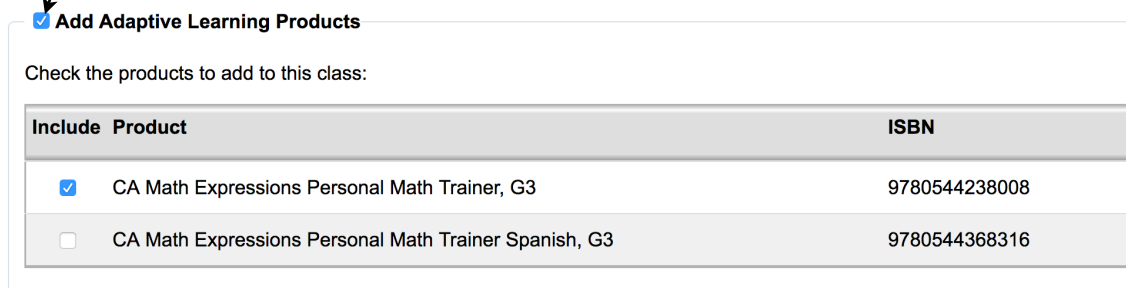

2. Click Settings and select Manage Classes.

3. Click on your Math Class (or select and click "Edit Class")

4. Select Add Adaptive Learning Products and Select CA Math Expressions Personal Math Trainer (English, Spanish, or both).

5. Click Save at the bottom of the page.
